KCTS and SCAN Youth Media are asking kids ages 10 - 18
to tell their best stories about baseball in a short video.

Learn how to make a video through SCAN Youth Media's Digital Storytelling Boot Camp. You'll learn how to use various forms of digital media, including camera work and editing.

All equipment provided for you.

(But if you have a digital video camera or
a digital still camera that takes video, please bring it.)

The first 20 kids who register for Boot Camp will receive 2 tickets to the
Mariners vs. Rangers game on September 17th at 7:10pm.

KCTS will choose a winning video. The winner will have their name
posted on the scoreboard during the September 17th game,
will receive a \$50 Best Buy gift card, and will have their video air on kcts.org.

SCANTV will air all submitted videos on channels 77 and 23 and
will choose up to 3 videos to run on the Internet.
